

The owner of restaurant is James Alefantis. In french it means this: J'aime les enfants= I Love children. Alefantis is also connected to Hilary and he is one the most influential people in DC.

The Pizza Gate was exposed by people who decoded code words like "pizza" and "hotdog" in John Podesta's emails - justpaste.it  
He is connected to Clinton and to John Podesta. There are some images he put on his Instagram which may indicate involvement in a possible pedophile ring.

The Photo above is creepy. It shows a little girl taped to a ping pong table with a man behind her.

This picture shows a man with a baby. They have a necklace around both their necks with the term "chickenlover." It's disturbing because chickenlover is a homosexual pedophile term for young boys. You can verify this with a simple google search of the definition of the word.

This shows a refrigerated room under Comet Ping Pong. The creepy thing is the owner puts in comment "#killroom." What does that mean?

What's disturbing about this image is that the word "hotard" is used in comments by owner of the pizza shop in the picture of this baby. This is really creepy.

This is an image of a Ping pong pizza ad. It has a girl going upwards. The image on the right was made by an MK Ultra mind control victim. It represents disassociation from trauma based mind control. The pizza shop ad looks bizarrely familiar to the image of a mk ultra victim.

This seems to show a ritual involving young boys.

(//s02.justpaste.it/files/justpaste/d361/a13545074/hqdefault.jpg)

another Pizza place near Ping Pong pizza is also said to be involved in the trafficking. What's scary is the Besta pizza logo was the same as a pedophile symbol identified by the FBI. I say "was" because now they changed it to just a triangle.

There are some emails which may contain pedophile codes.

"hotdog" = boy  
 "pizza" = girl  
 "cheese" = little girl  
 "pasta" = little boy  
 "ice cream" = male prostitute  
 "walnut" = person of colour  
 "map" = semen  
 "sauce" = orgy

(//s04.justpaste.it/files/justpaste/d361/a13545074/codes.png)

Now let's look at some of Podesta's emails

```
> The realtor found a handkerchief (I think it has a map that seems
> pizza-related. Is it yours? They can send it if you want. I know you're
> busy, so feel free not to respond if it's not yours or you don't want it.

In the email above you see the word "pizza." It's a pedophile word for little girl.

Susan & Herb

I just came from checking the Field house and I have a square cloth handkerchief (white w/ black) that was left on the kitchen island.

Happy to send it via the mail if you let me know where I should send it.

I also meant to inquire yesterday about the pillows you purchased. I can send them as well, if you let me know where they are in the house.

Safe travels to all

Handkerchief black and white is a gay sex code known. Black= S&M Bondage, White= underage.

The **handkerchief code** (also known as the **hanky code**, the **bandana code**, and **flagging**) is a color-coded system, employed usually among the gay male casual-sex seekers or BDSM practitioners in the United States, Canada, Australia and Europe, to indicate preferred sexual fetishes, what kind of sex they are seeking, and ...

This sickening and disturbing that this occurs in Podesta's emails.

There is also a code word for hot dog in emails.

The next three months are going to be rougher internally than in Beijing. Between 7th and 1600, no fun. Hope you're doing ok. I'm dreaming about your hotdog stand in Hawaii...

(//s04.justpaste.it/files/justpaste/d361/a13545074/pg\_podesta3.png)

This is weird. Why would Podesta have a hot dog stand in Hawaii. It Must be code. Hot dog is also pedophile code for little boy.

Also it's known that John Podesta has some creepy art work in his home.

(//s04.justpaste.it/files/justpaste/d361/a13545074/image21.png)

Ping Pong Pizza owner visited John Podesta's house in 2013. This is creepy because it's the same position a serial killer named Jeffery Dahmer who killed people and put their dead bodies in similar poses.

## Married, With Art

"You've got to be pretty secure to have an eight-foot-tall naked man in your living room in Washington, D.C.," Heather says of her husband's choice.

What Heather suggests as a badge of her mate's confidence is a highly intentional statement. After all, Tony's job is to make an impression. Besides, when the piece isn't generating blushes, it's generating conversation.

"At political events, there's an inevitable awkwardness," former Clinton administration official Sally Katzen said at a Women's Campaign Fund dinner at the Podestas' home this summer. "The art is an ice-breaker. It puts people at ease."

Not always. Folks attending a house tour in the Lake Barcroft neighborhood in Falls Church earlier this year got an eyeful when they walked into a bedroom at the Podesta residence hung with multiple color pictures by Katy Grannan, a photographer known for documentary-style pictures of naked teenagers in their parents' suburban homes.

"They were horrified," Heather recalls, a grin spreading across her face.

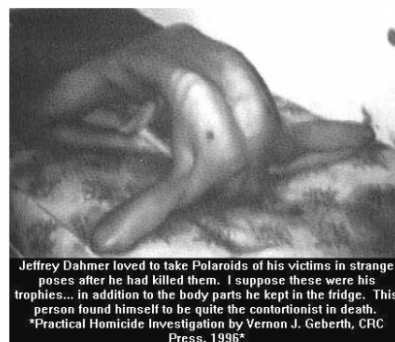

(//s04.justpaste.it/files/justpaste/d361/a13545074/3l20mhvrxvtx\_\_1\_.png)

This proves the connection between the Ping Pong Pizza owner and the Podestas and Clintons.

There also tunnels running below 4 buildings including Ping Pong Pizza.

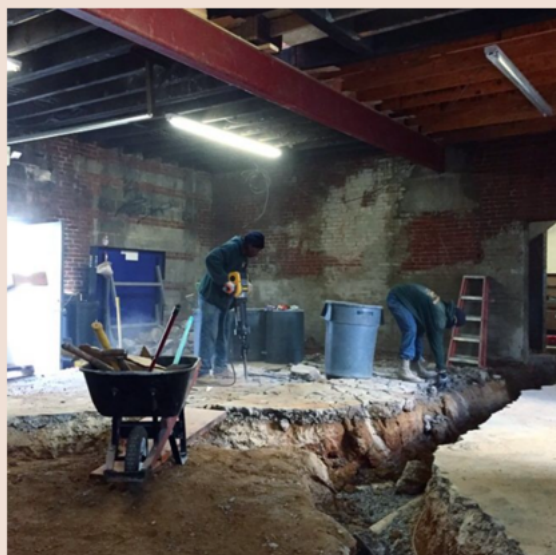

Heather and Tony Podesta in their Falls Church home with Louise Bourgeois' "The Arch of Hysteria." (Robert A. Reeder -- The Washington Post)

Jeffrey Dahmer loved to take Polaroids of his victims in strange poses after he had killed them. I suppose these were his trophies... in addition to the body parts he kept in the fridge. This person found himself to be quite the contortionist in death. "Practical Homicide Investigation by Vernon J. Geberth, CRC Press, 1996"

What are those tunnels for?

There are several buisnesses with pedophile symbols as logos in that area of DC.

(//s02.justpaste.it/files/justpaste/d361/a13545074/comet-ping-pong-3.jpg)

These places are all in on this thing. You see many places near Ping Pong Pizza have pedophile symbols as their logos. Alafantez owns two stores. Why?

Also it's known that in Portugal there was a girl named Maddy McCann who was abducted in 2007 in Peru.

(//s02.justpaste.it/files/justpaste/d361/a13545074/mqdefault.jpg)

On the top part and botton right hand images are police sketches of the abductors of McCann. They Look alot like Tony and John Podesta, and like Anthony Weiner, who sent sex images of himself to teenage girls. This may be why Weiner wipedout his emails; perhaps to hide proof of his involvement in the McCann abduction. They are all in on it.

Also it's known that Bill Clinton flew with convicted pedophile Jeff Epstein's jet 26 times and visited his private pedophile island.

Also Obama is also connected to this ring as well.

"Is ketchup on a hot dog ever acceptable?" Bourdain asked.

"No," the president responded. "I mean that ... It's not acceptable past the age of 8."

Them's fightin' words, Mr. President.

(//s02.justpaste.it/files/justpaste/d361/a13545074/obamapg1.png)

This is weird that Obama mentioned age in relation to hotdog. As mentioned earlier in this article; hotdog means little boys in pedophile code. This may be what Obama is referring to.

 pizza/dogs from Chicago for a private party at the White House not long  
 ago, assume we are using the same channels?

---

(//s04.justpaste.it/files/justpaste/d361/a13545074/obamapg2.png)

In this email you can see the word "hot dogs and pizza" in the message. Remember Pizza= little girl in pedo code and hotdog= little boy in pedo code. Why would you spend \$65,000 on food for a party? Also why fly food in? Why not just order some from a grocery store? This is strange.

Also Ping Pong Pizza owner put a image on his instagram of Obama playing ping pong with a boy.

(//s04.justpaste.it/files/justpaste/d361/a13545074/obamapizzagate.png)

This proves Obama is in on the sex trafficking network in DC. It also proves Comet Ping Pong owner is connected to alot politicians in DC. This is the scandal of the century and really exposes Masonic Illuminati occultic sex magic rituals going in DC. NY Times calls this possible pedophile ring "fake news" in a biased way without even looking at the proof. The owner of Comet Ping pong has'nt said anything on his social media account to defend himself. He just calls people who exposed him "alt- right." This demonization and not refuting allegations indicates he may be guilty of this crime.

Please spread and share. Will be updated as soon as info is found inshallah.
